Located in Istanbul Beykoz Paşabahçe, this property is offered for sale with a detached 3+1 house and an outbuilding on a 746 m² independent parcel. With its Bosphorus partial view and walking distance to the seaside, it offers great value both as an investment and as a residential property. The land has full infrastructure and is registered in the title deed as a detached stone house with garden. The existing structure requires renovation, yet with its location and zoned land status, it carries high investment potential. Paşabahçe, located in a prestigious area of Istanbul, is one of the city's most sought-after neighborhoods. For more information: Fazil Önal - +90 532 612 9299*
